Dear Sirs:

Enclosed please find a copy of the address which I gave last October at the Convention of the Association to Advance Ethical Hypnosis. This was an assembly of about 1300 medical doctors, dentists, psychiatrists and psychologists and educators. My marked remarks on pg. 9 and 10 may be of interest to you. Not one person present contradicted what I said.

I had hoped that these remarks might come into your hands before this time. I think the American Cancer Society and some allied organizations have embarked upon seem very unethical waters.

With all good wishes, I remain,

Sincerely yours,

Joseph Wittkofski
